In 2015 we made the decision to grow organic and truly authentic Asian produce at Boon Luck Farm in pristine Byron Bay. We steward the land entirely free of synthetic chemicals and utilise regenerative land management practices.

Here we grow more than 200 rare, native and exotic plants including multiple varieties of citrus fruits, leafy vegetables, herbs, garlic and aromatics that we put to good use on the Chat Thai menu. Now more than ever, an emphasis on sustainability, authenticity and immunity boosting ingredients – without compromising on price – is vital to the well-being of our diners, our land and our children.
